

OCCUPATIONAL HEALTH & SAFETY POLICY

Fujitec India is committed to provide a safe environment to its employees, customers and the public. We work with the greatest respect for safety, health and are committed to provide safe equipment, adequate and appropriate tools, necessary protective equipment and job specific training programs to employees to make them proficient.

A SAFE WORKPLACE

Our goal is to operate without injuries, illnesses and incidents since we believe that all injuries, as well as safety incidents are preventable by creating a safe workplace and having an effective safety management system.

MANAGEMENT RESPONSIBILITY

Management must have the knowledge and responsibility on the overall arrangements and for ensuring that our business operations are executed at all times in such a manner as to ensure a policy is available, communicated, complied with and provide a foundation for setting objectives & targets.

EMPLOYEES RESPONSIBILITY

Each employee must comply with this policy, understand their responsibilities and familiarize with Fujitec's safe work processes, methods, tools and use them.

CONTINUAL IMPROVEMENT

We continually evaluate and improve our processes, methods and equipment in order to minimize the risks.

COMMUNICATION OF THIS POLICY

We spread awareness to our employees, customers, and public on the products and processes we manage. This policy is made available to all employees, contractors, and our customers. Fujitec India shall use its resources in order to live up to this policy and thereby promote its business.
